11/2/21: Ysgol Cynddelw Return to school after half term

Wrexham LA has provided information regarding the return to school for Foundation Phase pupils after half term. You should have received notification of this on the 10th February. You will also know that the numbers of positive Covid-19 cases in Wrexham have consistently been amongst the highest in Wales, particularly so in recent months.

In light of this, we will need to take a cautious and phased approach to foundation phase children returning to school; and children will not be returning to schools in Wrexham until Friday, 26 February at the earliest – depending on local coronavirus levels after half-term.

We will share more detailed information with parents and carers after the half-term holiday (the week beginning 22 February), once coronavirus levels have been reviewed. Should there be a need to change our approach (e.g. in the case of increasing numbers) we will communicate this with you as soon as we are able to do so.

We would also like to reiterate our thanks to parents and carers of older children, who will continue to learn from home. We know that remote-learning presents many challenges for families trying to manage work and home responsibilities, and we're truly grateful to parents, children and staff for their continued efforts.

How you can help....

In order to ensure that your child can return to school in the coming weeks, please help keep our schools and communities safe by following these rules:

- Please don't car-share when picking up or collecting children.
- Please don't congregate at the school gates (don't hang around any longer than you need to).
- Please ensure social distancing at all times
- Please don't let your children meet up with groups of children from other households outside of school

Possible return- depending on numbers

26th February- Early Entitlement and Nursery class only

Should any front line critical workers i.e. those working directly with Covid-19 require extended provision please let us know and we will do our best to help.
