22/11/2021

Dear Parents and carers,

We would like to make you aware that a positive case of Covid-19 has been identified at **Ysgol Cynddelw** and one staff member has also tested positive. The parents of the classes effected have been made aware. Please rest assured we are doing everything we can to follow procedures and guidelines to keep all pupils and staff safe at this time. As a reminder, I have included below information that has already been shared with you:

- Symptoms - a **new continuous cough, fever or high temperature or loss of, or change in, sense of smell or taste.**
- Please continue to be vigilant for symptoms. If you are in any doubt, order a PCR test for your child at www.gov.uk/get-coronavirus-test or by calling 119.
- If your child tests positive with a LFD test or displays ANY of the above symptoms, **please do not send them into school** and we recommend that you **book a PCR test as soon as possible** and follow the government guidance given. Please keep the school informed via email – mailbox@cynddelw-pri.wrexham.sch.uk.
- In the event of a positive case, where there are close contacts, individuals are being contacted by TTP and are being asked to undertake PCR tests on **day 2** and **day 8**. If any pupils are identified as a close contact of a case of COVID-19 then they will be contacted by TTP with guidance.
- Please note that if your child is under the age of 5 years old they should not take COVID-19 tests unless directed to do so by a doctor or if you believe a test is absolutely necessary and in the best interests of your child. They should however remain off school whilst they have symptoms.
- The process of identifying close contacts is much more difficult with younger pupils, therefore, we are now to assume that all Foundation Phase and Year 3 and 4 pupils have been close contacts and school will send parents a letter or SMS message encouraging the use of LFD tests, whilst at the same time encouraging continued attendance at school.
- We know, that in general, COVID-19 doesn't affect young people as seriously as it does others in our families and community. But to help keep others safe and for additional peace of mind we are encouraging the use of Lateral flow tests and that **pupils continue to come to school UNLESS THEY ARE DISPLAYING ANY SYMPTOMS or their LFD test is positive.**
- Lateral flow tests (LFD tests) are free of charge and available from pharmacies and can be ordered online <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>
- Could we please also remind all parents and carers to **wear their face masks** when dropping off/collecting children from school.

We recognise how difficult the past 18 months have been and the sacrifices that all families have had to make. Thank you for everything you have done to support your child and our schools.

Kind regards,

Mrs Sockett

Annwyl Rieni a gofalwyr,

Hoffem eich gwneud yn ymwybodol bod achos positif o Covid-19 wedi'u nodi **yn Ysgol Cynddelw** ac mae un aelod o staff hefyd wedi profi'n positif. Mae rhieni'r dosbarthiadau yr effeithiwyd arnynt wedi cael gwybod. Rydym wrthi yn gwneud popeth o fewn ein gallu i ddilyn gweithdrefnau a chanllawiau i gadw'r holl ddisgyblion a staff yn ddiogel yn ystod yr adeg hon. I atgoffa, rwyf wedi cynnwys gwybodaeth isod sydd eisoes wedi'i rhannu gyda chi:

- Symptomau - **peswch parhaus newydd, twymyn neu dymheredd uchel, neu colli synnwyr blasu neu arogl.**
- Parhewch i fod yn wyladwrus am symptomau. Os oes gennych unrhyw amheuaeth, archebwch brawf PCR ar gyfer eich plentyn drwy ymweld â www.gov.uk/getcoronavirus-test neu drwy ffonio 119.
- Os yw'ch plentyn **yn profi'n positif, neu dangos symptomau peidiwch â'u hanfon i'r ysgol** ac rydym yn argymhell eich bod yn archebu prawf PCR **cyn gynted â phosibl** a dilyn y canllawiau a roddir gan y llywodraeth. Rhwch wybod i'r Ysgol o'r sefyllfa os gwelwch yn dda trwy e-bost mailbox@cynddelw-pri.wrexham.sch.uk
- Os yw eich plentyn o dan 5 mlwydd oed, dylent aros i ffwrdd o'r ysgol tra bod ganddynt symptomau. Rhaid iddynt beidio â dychwelyd i'r ysgol nes bod eu cyfnod ynysu ar ben ac nid ydynt yn dangos unrhyw brif symptomau. Ni ddylent gymryd profion COVID-19 oni bai bod hyn wedi'i gyfarwyddo gan feddyg neu os ydych yn credu bod prawf yn gwbl angenrheidiol ac er lles gorau eich plentyn.
- Os bydd achos positive, lle mae cysylltiadau agos, mae TTP yn cysylltu ag unigolion a gofynnir iddynt gynnal profion PCR ar ddiwrnod 2 a diwrnod 8.
- Mae'r broses o nodi cysylltiadau agos yn llawer anoddach gyda disgyblion iau, felly, rwan rydym i dybio bod holl ddisgyblion y Cyfnod Sylfaen a Blwyddyn 3 a 4 wedi bod yn gysylltiadau agos a bydd yr ysgol yn anfon llythyr neu neges SMS at rieni yn annog y defnydd o Profion LFD, ac ar yr un pryd yn annog presenoldeb parhaus yn yr ysgol.
- Rydym yn gwybod, yn gyffredinol, nad yw COVID-19 yn effeithio ar bobl ifanc mor ddifrifol ag y mae ar eraill yn ein teuluoedd a'n cymuned. Ond er mwyn helpu i gadw eraill yn ddiogel ac er mwyn tawelwch meddwl ychwanegol rydym yn **annog y defnydd o brofion LFD** a bod disgyblion yn parhau i ddod i'r ysgol **oni bai eu bod yn arddangos symptomau neu fod eu prawf LFD yn positif.**
- Mae profion LFD yn rhad ac am ddim ac ar gael o fferyllfeydd a gellir eu harchebu ar-lein <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>
- Hoffwn hefyd atgoffa pob rhiant a gofalwr i **wisgo eu masgiau wyneb wrth ollwng / casglu plant o'r ysgol.**

Rydym yn gwybod pa mor anodd mae'r 18 mis diwethaf wedi bod a'r hyn mae pob teulu wedi aberthu. Diolch i chi am bopeth rydych chi wedi'i wneud i gefnogi'ch plentyn a'n hysgolion.

Cofion,
Mrs Sockett
