Diweddariad Covid

Trefniadau os oes achos o Covid mewn dosbarth

Mae'r drefn sydd angen i ysgolion ei dilyn os oes achos / achosion o Covid mewn dosbarth wedi newid o'r hyn yr oedd cyn y Nadolig – mae'r manylion isod:

Un achos mewn dosbarth

Mi fydd rhieni a gwarchodwyr yn derbyn neges i ddweud fod achos wedi ei gadarnhau yn y dosbarth ac i gadw llygaid am unrhyw symptomau yn eu plentyn. Neges er gwybodaeth yn unig fydd hon.

Dau neu fwy o achosion mewn dosbarth

Mi fydd rhieni a gwarchodwyr yn derbyn ail neges i ddweud fod dau neu fwy o achosion yn y dosbarth ac yn cynghori'n gryf i'w plentyn wneud prawf LFT bob bore am saith diwrnod cyn dod i'r ysgol. Os yw'r prawf yn bositif ar unrhyw un o'r dyddiau, rhaid ynysu a dilyn canllawiau Llywodraeth Cymru. Ni fydd hyn yn berthnasol i ddisgyblion sydd o dan 5 oed.

Os oes unrhyw symptomau ar eich plentyn, gan gynnwys symptomau arwahan i'r tri prif un,peidiwch a gyrru eich plentyn i'r ysgol a threfnwch brawf PCR ar ei gyfer. Ar gyfer disgyblion o dan 5 oed, dylent aros adref nes fod y symptomau wedi clirio. Os oes disgybl yn profi'n bositif, a fod **ganddo / ganddi frawd neu chwaer yn yr ysgol, dylai'r brawd neu chwaer gymryd prawf LFT bob bore am 7 niwrnod** – cyn belled ei fod yn negatif, gall barhau i fynychu'r ysgol fel arfer.

Mae gwybodaeth am beth i'w wneud os rhywun yn profi'n bositif a'r rheolau hunan ynysu ar gael drwy'r ddolen isod:

https://llyw.cymru/canllawiau-hunanynysu

Plis peidiwch ag oedi i gysylltu efo'r ysgol os oes gennych unrhyw gwestiynau. Hoffwn ddiolch unwaith eto i chi am eich cydweithrediad a chefnogaeth gyson.

Yr Eiddoch yn gywir,

Mrs Sockett

Covid Update

Procedures for Covid cases in a class

The procedures that schools are to follow if there are Covid cases in a class have changed from what they were last term.

One case in a class: Parents and carers will receive a message informing of a positive case in the class and to keep an eye out for their child displaying any symptoms and carry out normal procedures for checking if their child displays any of the symptoms. This message will be for information only.

Two or more cases in a class: Parents and carers will then receive a second message informing of two or more cases in the class. Parents and carers will be asked to do a LFT (Lateral Flow Test) on their child every morning BEFORE coming to school for seven days. If the test is positive on any of the days, the child should self-isolate in line with the Welsh Government's guidelines. This is not relevant for pupils under the age of 5. If your child is displaying any symptoms, including ones other than the three main symptoms, please don't send him / her to school and arrange a PCR test.
If your child is under 5, he / she should NOT attend school until the symptoms have cleared.
If a pupil tests positive and **that he/ she has a brother or sister in school, the brother / sister should take an LFT every morning for 7 days** – as long as the daily LFT is negative, they can continue to attend school as usual.

There is general information on what to do if someone tests positive and the rules around self-isolation available through the link below:

https://gov.wales/self-isolation

Please do not hesitate to contact the school if you have any questions or require any further information. Thank you once again for your continued support and cooperation.

Yours Sincerely,

Mrs Sockett
