

## Child Protection Policy

A working group of pupils in the federation produced and discussed the following document;

As a pupil at the Ceiriog Valley Federation we feel that;

- \* Child protection means keeping us safe.
- \* Teachers always try to make sure that everyone is treated fairly.
- \* We feel everyone should be treated the same. It is important to make sure everyone is protected.
- \* Children should tell the teachers if they think someone isn't protected.
- \* All pupils have a voice and can talk to an adult in school and that all staff should take children seriously.
- \* We feel like we can tell anyone about our problems

### Staying Safe

If someone is hurting you or your friends, there are people who can help you and stop people from making you feel scared or hurt.

You should tell someone you trust;

- you can tell a teacher,
- your parents, carers, grandparents
- other members of your family who may be able to help,
- tell a friend; and

let people help to make things better by stopping the person from hurting you or your friends.

The people in this school who have responsibility for helping you if someone's hurting you or your friends are Mrs Sockett, Miss Evans or Miss Roscoe.

If you can't talk to any of these, you can talk to one of the following organisations that will have someone who will listen to you:-
