School Reports - July 2024

This year once again, we have included QR codes with commentary from some of the pupils using seesaw. If you have an 'Iphone' or apple device you will be able to access the comments by turning on the camera and scanning the QR code. If you have an android phone, you can download free apps which will allow you to then scan the codes.

Below is an example of a free app you can download:

Please do not hesitate to contact us if you are having difficulty listening to the pupil's comments. Attached to the report is a slip for you to sign and return to school to acknowledge receipt. If you would like to discuss your child's report, there will be an open Evening / Drop in session for parents on **Monday 15th July 3.30pm-4.30pm**. If your child / children are in years 2-6, you can access their Personalised Assessment scores through their Hwb account. Click [here](#) for more information.

Many thanks,

Mrs Sockett
