HAPPINESS ▪ CONFIDENCE ▪ SUCCESS

Dear Parent/Guardian,

Welcome to our final term, I hope you all had a nice Easter.

Topics and RSE

This term we will be exploring life cycles, habitats and changes both animals and humans experience. During this term all pupils will be taught about their bodies (labelling organs, systems and functions) and how they will change as they grow older. Years 5/6 will learn about the reproductive system, puberty through to sex and conception. Please see our class website page.

Numeracy

Numeracy skills will be incorporated throughout the pupils' lessons as well as their daily maths sessions every morning. In maths we will start by looking at fractions. Children will also be given **times tables based work** to learn on a Friday, for the following Friday.

Literacy – Reading and Spelling Practise at home with an adult

During the course of the week, we ask that children read at least three times (of about 10-20 minutes depending on their age and ability). Please ask for more details if you are unsure, or if you require any more information on your child's reading. Pupils may bring a book home from school or read ones of their choice. **Children will be asked to show this evidence on a Monday morning with an adult having signed their red reading records. Pupils will receive a reward if they can show evidence they have been reading at home.**

On WEDNESDAYS, your child will be given a list of **spellings** – either individual spelling mistakes or some common spelling patterns. Spellings will be tested each Wednesday morning. **They will be rewarded for practising spellings at home.**

Uniform and PE Kits

Please remember to write names in school jumpers/cardigans etc as this helps ensure looking after uniform, especially during a warmer term. Children need to wear appropriate PE kits: white t-shirt and navy/black shorts/leggings. PE kits can be left in school for the half term if you wish. Many thanks.

FS

Forest Schools will take place on Tuesdays. Pupils can come to school dressed suitable, legs (no shorts) to be covered please for safety.

Snack

Pupils can either bring in their own piece of fruit or choose not to eat snack. Please provide your child with a drink for the day. Please see the main school newsletter for more information and other important dates and more details.

Mrs Massey will continue to cover the class in my absence until half term,

If you need any more information, or have any queries, please do not hesitate to contact me. Many thanks for your support and cooperation.
