Although each child receives free school meals through Welsh Government funding, if you are on a low income or benefits it is still important for you to apply for free school meals for your children. This is because if you are eligible for free school meals it could mean:

- increased funding for the school

Please see link below for more information about school meals and the school essentials grant (applications for the school essentials grant are now open for the next academic year). School Essentials Grant. https://www.gov.wales/school-essentials-grant
