Healthy snacks in primary schools

There is a legal duty for local authorities and schools to **promote healthy eating in schools**. The Welsh Government and Welsh Network of Healthy School Schemes recommend a whole-school approach.

Food brought into school for personal consumption can be subject to restrictions at the discretion of the local authority or governing body of a school. Almost all primary schools in Wales specify **only fruit and vegetables for snack during break times**.

Schools should create an environment and culture where it is **normal and easy for children to eat healthily**. School staff, along with parents/carers, are vitally important in the development of healthy eating habits for life, through **consistent messages and role modelling**.

Fruit and vegetables should be the only snack at break times in primary schools because:

- they are a good source of fibre, vitamins and minerals;
- they are naturally low in calories, helping to maintain a healthy weight;
- eating a variety of fruit and vegetables can help to prevent a range of health issues such as bowel problems, cardiovascular disease and some cancers; and,
- consumption of fruit and vegetables is below recommended levels, of at least 5 portions per day.

Some primary schools also specify that fruit and vegetables at break time must be fresh.

Byrbrydau iach mewn ysgolion cynradd

Mae'n ddyletswydd gyfreithiol ar awdurdodau lleol ac ysgolion i **hyrwyddo bwyta'n iach mewn ysgolion**. Mae Llywodraeth Cymru a Rhwydwaith Cynlluniau Ysgolion Iach Cymru'n argymhell mabwysiadu dull ysgol gyfan.

Gellir gosod cyfyngiadau ar fwyd y mae plant yn dod â hwy i'r ysgol i'w fwyta os yw'r awdurdod lleol neu gorff llywodraethu'r ysgol yn penderfynu bod hynny'n briodol. Mae'n rheol ym mron pob ysgol gynradd yng Nghymru mai dim ond ffrwythau a llysiau a ganiateir fel byrbrydau amser egwyl.

Dylai ysgolion greu amgylchedd a diwylliant lle mae'n beth arferol a hawdd i blant fwyta'n iach. Mae staff yr ysgol ynghyd â rhieni/gofalwyr, yn chwarae rhan hollbwysig wrth datblygu arferion bwyta iach gydol oes, drwy rannu negeseuon cyson a modelu rôl.

Ffrwythau a llysiau yw'r unig bethau y dylai plant ysgol gynradd eu bwyta yn ystod amser egwyl am y rhesymau canlynol:

- maent yn ffordd dda o gael ffibr, fitaminau a mwinau;
- maent yn naturiol brin o galoriau, sy'n helpu i gadw pwysau iach;
- mae bwyta amrywiaeth o ffrwythau a llysiau'n gallu helpu i atal amrywiaeth o broblemau iechyd, fel problemau â'r perfedd, clefyd cardiofasgwlaidd a rhai mathau o ganser; ac
- mae plant yn gyffredinol yn bwyta llai o ffrwythau a llysiau na'r hyn a argymhellir, sef o leiaf 5 y dydd.

Mae rhai ysgolion cynradd hefyd yn nodi bod yn rhaid i ffrwythau a llysiau yn ystod amser egwyl fod yn ffres.
